johannsteinhoff.github.io/fattys_Smoke_Shop_Website

Point your phone camera at the code — no app needed. This is just a temporary preview address; once you're on board it moves to a clean, on-brand domain like **fattyssmokeshop.com**.

Looks great on phones

Most customers search on mobile — built phone-first with a tap-friendly menu.

One-tap call

Tap to call or copy the number instantly from any page.

Get directions

Live Google map and one-tap directions to the door.

Hours up front

Open-til-midnight hours and the full week always visible.

What's on the website

Everything a customer needs, in one clean page.

Photo gallery

A scrollable gallery of the storefront, glass, and product walls with a fun hover effect.

Customer reviews

Real Yelp-style reviews build trust with first-time visitors.

Product categories

Vapes, hookah, glass, CBD, kratom, cigars & accessories — clearly laid out.

21+ age notice

A clear compliance banner across the top of every visit.

Fast & free to host

Optimized images, no ads, no tracking — hosted free on GitHub Pages.

Why it's worth it for the shop

- ✓ Show up when people search "smoke shop in San Marcos."
- ✓ Students & locals can call, map you, and check hours in seconds.
- ✓ A professional first impression that matches the store's vibe.
- ✓ Easy to update with new specials, hours, or photos anytime.

Easy next steps

1. Connect a custom name (e.g. **fattyssmokeshop.com**).
2. Add the link to your Google Business, Yelp, and Instagram bio.
3. Tell me any edits — hours, photos, or products — and I'll update it.
